This is your first paragraph for your controversy paper, and I guess it's the night before deadline. I just want this sentence to be very long, to show you that there is a difference between segment spacing and line spacing, and I succeed (Torre, Bray, Siegel, Ferlay, Lortet-Tieulent & Jemal 2015).

This is your second paragraph, I don't know what you want to write, but I want to show you how to cite a whole paragraph of quotation (Gao, Gu, Jiao, Sun, Zu, Yang, Zhu, Wang, Feng, Ye et al. 2017). As President Mao said:

Feng Zimou is a good comrade, the most excellent child in the kindergarten. An enthuasiastic person who developed this template.

This is your third paragraph, you are so close to your finishment of homework, well done and congratulations! You are so excellent that I guess you must have accepted the nine-year compulsory education.
